

Werther a.k.a. wimply

Jules messenet

Act one summer camp upstate New York

The camp counselor is teaching his group how democracy works under fascism what his gay friends John and Smitty arrive puffing on a big blunt and they decide to get the party started conversations turn like the wind and the strobe light speckles all over their psychedelic faces that evening to fax that Wimply is to escort the camp counselors daughter to her first pie eating contest which makes all the gospel of the night and camp town quickly to avoid suspicion wimply leaves to the corner of the room and eat some food from the campers belongings the camp counselor calls everyone in a circle and explains that his daughter has no say over for her own future and no neither does wimply for that matter and states the fact she will marry Al Wimbley replies yeah yeah yeah and it goes back to stealing snacks from kids the group trips the part till wimply is alone with bleach it looks in the mirror and takes it off the wall and throws it out the window the camp counselors daughter sees him toss the mirror out with reckless abandon her and she shouted at him Cherry of the camp counselors daughter fry in Wimberley am by accident he cut his hand on the window from the screen and the glass shatter in the group attracted gatherings back to the room the camp counselor asked what happened and before wimply has a chance to admit anything cherry makes up a lie of her slipping and him rescuing her from falling out the window like the mirror wimply is impressed by cherries diabolical nature and sees a fire beyond the delicate humbleness of arise the camp counselor has that little children sweep up the glass outside and inside while he has cherry bandage wimply . Wimply tells cherry not to interfere with his plants next time she tells him she knows he is hot for her clambake but he are so has to understand she likes getting owls al flesh also she tells wimply al is cool with sharing but wimply refuses to egg knowledge i'll enters and immediately crabs cherries ass as she cruise into his and brace wimply undoes his bandage and begins to pick at the wound with his fingernails the couple watch him and get excited starting to fondling intensifies wimply then asks cherry about her mother knowing full well she had recently passed cherry burst out crying and ran out the room owl looked at wimply perplexed and then ran after cherry wimply then takes another mirror and throws it out another window in the same room as before and leaves the party abruptly

Act to town square

Cherry an owl put an ad up for a couples hook up and wimply decided to have a fake identification but meet up with them in person he wore a mask fetish play their works cherry suggest they bring her sister Sophie into the mix wimply unhappy with the arrangements start cutting out his stomach with a razor and it's the couple then that I realized who it was they knew it was there good old friend and began to connect intercourse Lee in front of him in public wimply cuts himself further and a couple just left and tell him to get over himself and join in with that but he Vallos to only set foot in the house I hope Hogan's birthday one see year the couple tell wimply he is a loser and they don't give a shit what he does after wimply lees the couple continue and remark how cute he is being then give Sophie a call for some threesome action

Act III Al's house

Whole hogans birthday cherry is being massaged by her father and she is telling him the situation with their unfortunate wimpy and how she hopes they all can come around and exchange some fluids with each other cherries dad suggest they might need to tie him down after they drug him wimpy arise but this time bright and smiling he explains he thought long and hard and decided life is too short to relive trauma so decides he doesn't want to be friends anymore cherry tries to not embrace him but can't sit back for a moment or two in brace and it's then cherries dad has a heart attack in front of them just as Al walks into the room with tea and ices they don't wait for an ambulance and just drive altogether

Act for hospital parking lot

As they parked her vehicle and get out the camp counselor tells them to get along better and he dies cherry asks wimpy to make out with Al and Al seems open to that but wimpy becomes furious furious gets out slammed the door and walks away
